

THANKS

This first production in the new TET Cue Theatre has been eagerly awaited by many

It could not have happened without the work of a dedicated group of people who not only worked for this production but also simultaneously transformed the empty shell of the new building into a working theatre. Only they have any conception of how many hours this has taken.

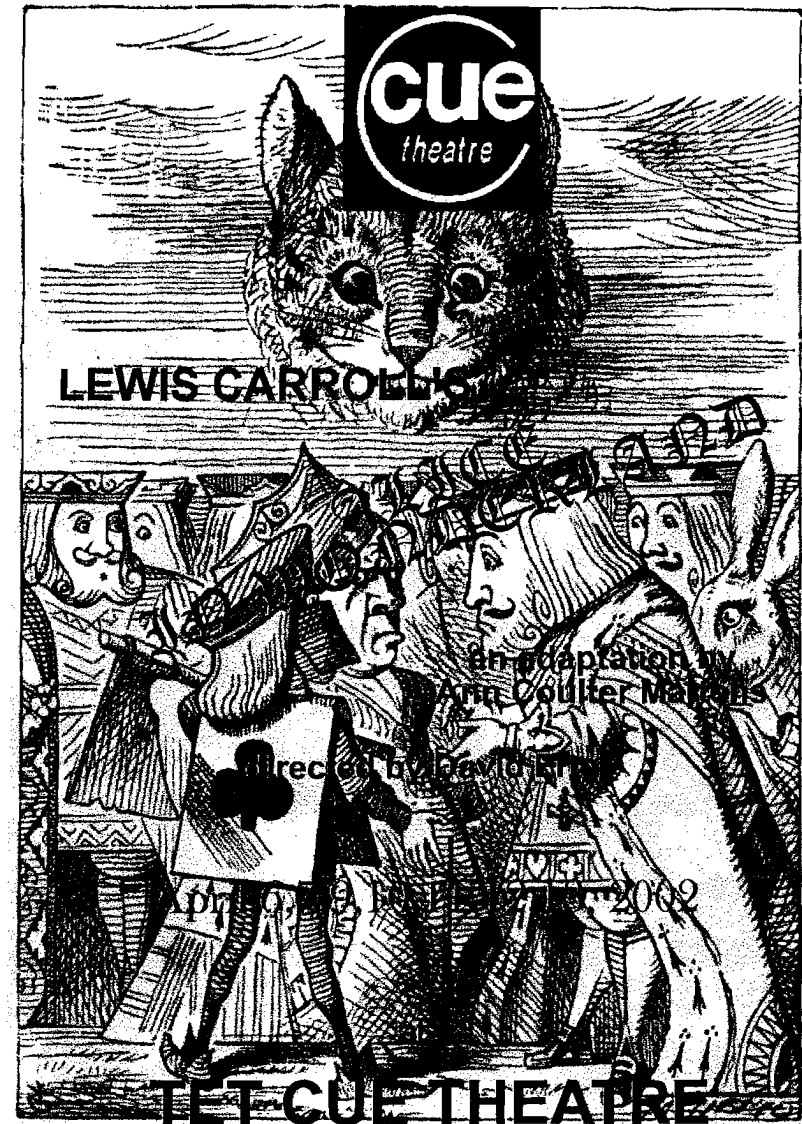

To those who have taken parts and the ones who have supported them—parents and partners—thank you.

The community has helped in many many ways and we especially thank Linda Patterson and Business Inglewood, Small Bros, Taranaki Seven, Merv Julian (Inglewood Rubbish & Recycling), Inglewood Motors, Fintax Chartered Accountant, Flowers &, Glenys and David Wilson., Shoprite, Colin Boyd, Selby Print, Michael Keat
