You are invited to join in "For He is An English Man" (and indeed any encores). Here are the words to assist you.

He is an Englishman!  
For he himself has said it  
And it's greatly to his credit  
That he is an Englishman (rep)  
For he might have been a Russian  
A French or Turk or Prussian  
Or perhaps Italian (rep)  
But in spite of all temptations  
To belong to other nations  
He remained an Englishman (rep).
